

The Renew is a robust shower filter and dechlorinator, effectively reducing the levels of toxic chlorine in your shower water. The Renew helps create healthier, younger looking skin, softer, more manageable hair, it grants relief from dry skin & scalp, and you'll notice less fading in color-treated hair. First, a polyester filter element strains out large particles to help prolong the life of the filter. The innovative KDF media converts chlorine into a harmless, soluble chloride. Finally, the addition of crystalline quartz improves lathering and leaves you feeling energized. Convenient "no tool" installation makes it easy to combine the Renew with your favorite shower head.

Specifications

SKU:	CAMEO-RS
Capacity:	20,000 gallons
Flow Rate:	2.5 gpm
Housing Composition:	ABS
Filter Application:	Chlorine, sediment
Filter Media:	14.5oz. KDF 55, Sediment Prefilter, Virgin crystal quartz
Thread Size:	½" NPT, Standard shower fitting size
Average Free Chlorine Reduction:	80-90%
Operating Temperature Range:	40° F (5° C) to 120° F (49° C)
Operating Water Pressure Range:	30 psi to 100 psi
Dimensions:	3.75" x 4"
Weight:	1.1 lbs.
Installation:	Easy, "no tool" installation
