

PRODUCT WARRANTY

The manufacturer warrants Rainshower products to be free from defects in materials and workmanship when installed, operated, and maintained in the manner instructed in the User Manual. The Restore housing is warranted for 1 year from the date of purchase. The Renew, Refresh and replacement filter cartridges are warranted for a period of 30 days from the date of purchase. Within that period, Rainshower will repair or replace any product that fails to perform due to faulty material or workmanship. Items not covered under the warranty include damage due to misuse, improper maintenance, improper installation, excessive water pressure or temperature, freezing or general misapplication of product's use and purpose. There are no warranties expressed or implied, other than those stated herein. Rainshower is not liable in any way for the damage arising from the misuse or misapplication of the product. To make claims under this warranty, see your retailer or contact the manufacturer.
